# WHY CHOOSE D1&Z1

Once clients start working with us, clients will notice how much we care about our quality of work. The following are the five pillars of our company success:

**1**

## Communication

We will always communicate amongst ourselves and clients. We always attend to clients' concerns and feedback.

**2**

## Coordination

We will always properly coordinate with our internal staff and client team to resolve and eliminate problems.

**3**

## Organization

We will always organize and keep clients requests, instructions, concerns, and other pertaining documents handy and accessible to refer to.

**4**

## Technology

Technology is one of our key strengths which allows us to deliver security services more efficiently and effectively.

**5**

## Traditional Customer Service 24/7

We will answer our phones and make sure that our team listens to your concerns and questions without taking the client through a dark path such as voicemail menus or robots. The bottom line is, we are accessible and you will talk to a live person.

### OUR GUARANTEE

If the client finds our security guards or field supervisors' work performance unsatisfactory, D1 Secure And Z1 Allied services guarantees to replace their assigned security guards. We guarantee a response within hours when a client reports an issue or concern. Clients will be provided with multiple points of emergency contacts.
